

# THE KEN QUON *"Ride On"* TEAM RACE, RIDE, TOUR AND APRES BARBEQUE

Dear Contributor,

This is a request for you and your business to help make the 4th annual Ken Quon "Ride On" Fundraiser a resounding success – with 100% of the proceeds staying in the Whistler/Pemberton area and going to help emergency services (Ambulance/Clinic/Whistler Fire Department). The Ken Quon Memorial "Ride On" Mountain Bike Race, Ride, Tour and Après Barbeque Fundraiser (phew!) will be held on August 9th 2009, - 11 am (sign-in from 9:30 am) at the Riverside RV Resort and Campground for the Start/Finish/BBQ. The race, ride and tour will take place over the roads and trails in the vicinity of Lost Lake with an entry donation and is designed to be for all ages and abilities.

This fundraiser will provide an opportunity for the Whistler cycling community, WORCA and others who were connected to, or touched by Ken, a chance to contribute back to Whistler and Pemberton's emergency services. A fund has been created in Ken's name that will help purchase items that will assist the emergency services in addressing the emergency needs of residents and visitors to the Sea to Sky corridor.

We would like to secure a selection of donated items to be used in the fund raiser as 'race prizes', 'raffle prizes' and 'silent auction items'. We will depend on the generosity of various business groups both inside and outside the Whistler corridor to provide unique auction items that will be sold at the event. In addition, we will hold a number of raffle draws and a 50/50 draw.

We would greatly appreciate any items that you can donate for the auction and we will provide you with marketing exposure at our auction tables. We want your business to be exposed in a positive way to the guests and participants at our event and are happy to place a small number of brochures or marketing material on the table beside your auction donation.

Please complete the attached Donation Form and fax it back to Francis Chiasson at (604) 932-4120 (or email to francis@myseatosky.com) with a description of the item and where and when we can have it picked up.

It is with your much appreciated assistance, Ken's quest "to give back" to the Whistler he loved will keep "Riding On".

Thank you for your generous support and contribution to the Ken Quon Memorial Fund, and be sure to join us on August 10th.

**KEN QUON**

FEB. 27TH 1957 - SEPT. 5TH 2005

Ken Quon was 48 years young, and while guiding a group of mountain bikers in Lost Lake Park on the evening of September 5th 2005, he took his last pedal stroke. A marker at the end of Upper Panorama trail commemorates the spot of his passing as a result of an undetected congenital heart condition. An ardent mountain biker, Ken was also an enthusiastic supporter of a myriad of athletic and community events in Whistler. He was willing and able to contribute to many local causes through his position as the manager of Whistler's IGA Marketplace and his personal dedication to volunteerism. Ken tried, while he was with us, to "do good" for the community he "loved to live in". Now the Whistler Offroad Cycling Association (WORCA), would like to keep Ken's legacy of "giving back" alive. Ken's favorite expression while guiding mountain bikers was "Ride On". This little phrase was his last.
